SUBJ: Docket No. 7404: Petition of Entergy Nuclear Vermont Yankee, LLC, and Entergy Nuclear Operations, Inc., for Approval of an Indirect Transfer of Control of Each Company, Consent to Pledge of Assets, Guarantees and Assignments of Contracts by Entergy Nuclear Vermont Yankee, LLC, and Amendment to the CPG of Entergy Nuclear Operations, Inc., to Reflect a Name Change, Replacement of \$60 Million Guarantee with \$60 Million Letter of Credit and Substitution of \$700 Million Support Agreement for Two Inter-Company Credit Facilities

Dear Mrs. Hudson:

By letter dated December 9, 2009, Entergy Nuclear Vermont Yankee, LLC, Entergy Nuclear Operations, Inc. ("Entergy VY"), and Enexus Energy Corporation ("Enexus"), filed responses to the information requests propounded by the Board on November 20, 2009. The filing contained a redacted, public version of the responses and an unredacted, confidential version, which was filed under seal pursuant to the terms of the Protective Agreement dated April 4, 2009, approved by the Board in this docket on April 10, 2009 (the "Protective Agreement").

Upon further analysis, Entergy VY and Enexus have determined that certain ratings agency charts that were designated as confidential in responses A.PSB:EN-2 and A.PSB:EN-8 need not be considered confidential under the Protective Agreement and can be produced publicly. As a consequence, Entergy VY and Enexus have generated revised responses to A.PSB:EN-2 and A.PSB:EN-8 that remove the confidential designation from ratings agency charts and are producing those charts publicly.

Attached to this letter for filing with the Board are one hard copy and four diskettes of the (1) revised PUBLIC versions of A.PSB:EN-2 and A.PSB:EN-8; and (2) revised CONFIDENTIAL

versions of A.PSB:EN-2 and A.PSB:EN-8, which are being provided pursuant to the terms of the Protective Agreement. The diskette also contains complete electronic copies of the PUBLIC and CONFIDENTIAL versions of Entergy VY's and Enexus' responses to the Board's information requests. We request that you use these electronic versions of the requests and destroy the prior versions.

By Federal Express we are serving one copy of this filing in hard copy to each party of record. We also enclose a replacement diskette and ask that you destroy the previously-provided version.

Please let us know whether you have any questions or concerns.

Very truly yours,
